WILDLIFE/BIRD VIEWING AREA:

The area is located at **Soledad Campground**. Please be advised that the campground is closed, but the viewing platform is open and has wheelchair accessible ramps and bathrooms. The viewing platform provides a “bird’s eye view” into the canopy of the riparian (streamside) forest of the upper Santa Clara River. During the spring, many migratory birds may be seen in and around the trees near the platform. There are informative displays also at the viewing area.

SANTA CLARA/MOJAVE RIVERS RANGER DISTRICT (CONT'D)

In conjunction with the Pomona Valley Chapter, Audubon Society, **Grassy Hollow Visitor Center** has a bird viewing area located on the south deck overlooking numerous and varied bird feeders and a small water source. Local high country birds and small mammals (squirrels and chipmunks) can be enjoyed from this location which is accessible for the physically challenged. There are benches nearby and on weekends, when the Visitor Center is open a “bird cart” is available which contains binoculars and notebook of local birds with space for recording sightings.
